HEARTLAND EARLY EDUCATION

**PART DAY
SCHOOL YEAR**

MESSAGE FROM THE DIRECTOR

Dear Families,

Welcome to Heartland Early Education! We are excited to start a new school year that is sure to be full of fun and lots of opportunities for learning and making new friends!

Heartland's mission is to **inspire and empower families and children through quality education**. And we take that seriously! Family consultants can help you reach your goals as a family that may include things like getting your GED or college degree, supporting your toddler as they learn to walk, helping your preschooler count, paying off a water bill that is past due or buying a car. Heartland staff will support you and your child.

Volunteerism is an important part of our program. We are required to document \$25 of In Kind services for every \$100.00 we receive in grant funding. A valid In Kind contribution is one that supports the program and is a service for which Head Start/EHS funds would have been used. If every parent volunteered and documented **two hours** of In Kind services each month per child, our In Kind volunteer amount would be substantial.

Below are some ways you can generate in-kind:

- Prepare classroom materials ● Repair Toys
- Be a Policy Council representative ● Help plan parent meetings
- Complete "Skill-Builders" with child ● Serve on committees
- Participate in staff interviews ● and the list goes on

Volunteering is an awesome way to show your child that being involved is important! You can make a difference when you give your time by supporting Heartland Early Education. Please make a commitment to do so today!

Again, welcome to Heartland Early Education! I hope this is a special year for you and your family!

Stay Safe. Stay Well.

Lesla Larson, Heartland Early Education Director

HEARTLAND EARLY EDUCATION CODE OF ETHICS SUMMARY

The following guidelines allow for appropriate and fair relationships with every enrolled family:
Staff will avoid dual relationships. Present or previous friendships or relationships involving family, financial, sexual, or emotional ties are all examples of dual relationships.

Staff will make every effort to avoid dual relationships with families because they can weaken professional judgment or increase the risk of mistreatment.

If a staff member is assigned a family with whom a previous relationship has been established, it must be reported immediately to the supervisor.

Dual relationships can also be avoided by following the guidelines listed below.

Staff will not:

- ◆ purchase items for families (at stores, garage sales, auctions, etc.)
- ◆ move furniture for a family
- ◆ attend family/child birthday parties, weddings, parties or other "family" events
- ◆ give medical advice or legal advice
- ◆ provide child care for families and families will not provide child care for staff
- ◆ invite families into their home or to family activities
- ◆ purchase from or sell anything to families (for example; Girl Scout cookies, etc.)

Staff will follow USD 305 Social Media Guidelines and are discouraged from connecting with parents/guardians or families enrolled in the program. If a preexisting relationship exists, staff will disclose this information to their supervisor.

2022-2023 PDSY PARENT HANDBOOK

POLICY COUNCIL

Policy Council representatives are the link between the parent committees and Heartland and make decisions that impact the program. Members vote on various issues including personnel decisions, program changes and community involvement. Representatives attend a monthly meeting in Salina. HEALTH

Taking care of health concerns early is important. We require a current physical and up-to-date immunizations on all children. Children are required to have a yearly dental exam and complete recommended dental treatment.

NUTRITION

Meal time is part of the day's activities at Heartland. Parents are welcome to make suggestions for meals and snacks and learn about nutrition, meal planning and food safety.

- ⇒ Children attending the AM session receive breakfast and lunch every day.
- ⇒ Children attending the PM session receive lunch and a snack every day.

These meals are reimbursed through the Child and Adult Care Food Program (CACFP). If your child has a special dietary need, you will need to fill out a meal modification form. This form is available from your family consultant.

Meals served during parent meetings, Policy Council, and socializations are not reimbursable through CACFP. Heartland Early Education will not be able to provide a modification for the meal being served. Parents and/or caregivers will need to provide a substitute for their child.

OUTSIDE FOOD AND DRINKS

Due to health and sanitation regulations, parents are not allowed to bring food for classroom children or Heartland staff. Therefore, food brought in by parents cannot be served.

Please do not bring your child to the classroom with food or candy in their mouths or hands. No food or candy should be brought in your child's book bag.

2022-2023 PDSY PARENT HANDBOOK

REGISTERED SEX OFFENDERS IN THE SCHOOLS - USD 305 Guidelines

Offenders are allowed to come into the building for social events that are for parents. Examples of these would be parent meetings, enrollment days, music programs, parent night, conferences, etc.

Offenders are allowed to come in the building at the main entrance of the school to pick up his/her own child(ren) but the child(ren) must meet them in the office rather than the offender going to the classroom to get the child(ren). They must immediately leave after the child(ren) have arrived in the office.

Offenders are not allowed to be around any child who does not have his/her parent(s) with them. Examples of this type of situation are to volunteer in the classroom, eat lunch with the class, or go on a class field trip when every other child does not have his/her parents accompanying them on the class trip.

To alleviate concerns of others in the building that may know of the registered offender status as well as to protect the offender from uncomfortable accusations or suspicions, it would be in the best interest of all if the offender could be accompanied by a spouse or significant other when in the presence of other parents and their children in the school setting.

VISITING THE CLASSROOM

Parents/Guardians should follow up with the classroom teacher regarding procedures for visiting the classroom.

Visitors to the building will be asked to wear a visitor sticker while they are in the building. Visitors who do not have on the sticker will be stopped by staff and redirected to the main office to sign in and receive a sticker.

SCHOOL CLOSINGS AND DELAYED START

All school closings and delayed starts will be announced on the local radio stations, TV, school district web site, and Facebook. Heartland classrooms follow the USD305 schedule for inclement weather. See www.usd305.com for closing information.

EMERGENCY MEDICAL CARE

For emergency care, Heartland staff will call 911. In case of an accident or illness, the center's first step is to contact the parent or person listed as the emergency contact. Parent(s) are responsible for keeping the emergency contact information current at all times.

Heartland requires at least two active emergency contact numbers at all times.

WHAT SHOULD MY CHILD WEAR?

- ◇ **Please send your child to school in tennis shoes every day.** Cowboy boots and sandals are not safe when running and playing.

PROVIDING MEDICATION & SPECIAL DIETS AT THE CENTER

No child will receive medical treatment or medication while at Heartland unless a doctor's written order is provided.

Medications:

For your child's safety all paperwork must be complete before any medication can be administered. Please give medication at home if possible. If this is not possible please see your child's teacher or Family Consultant. Medication will only be given to your child with a written order from your doctor and signed releases from you. The first dose of a new medication must be given at home. It may take up to a week before all paperwork is complete. Please allow sufficient time to process your request. If the necessary paperwork is not received, Heartland reserves the right to exclude your child from the classroom.

MEDICATION CAN NOT BE TRANSPORTED IN BOOK BAGS TO OR FROM SCHOOL.

Meal Modifications:

The "Medical Statement to Request Meal Modification" or the "Parent Request for Meal Modification" form must be submitted and approved by the kitchen manager before any meal modifications will be put in place in the classroom. These forms are available from your family consultant.

Meals served in the classroom are breakfast, lunch, and/ or snack. These meals are reimbursed through the Child and Adult Care Food Program (CACFP). Reminder to parents: Do not park in the north parking lot. This lot is reserved for bus loading and unloading and staff parking. Reserved Parent Parking is available in the parking lot to the east of the main entrance.

- ◇ Parents/guardians will complete the release form at enrollment. Additions or changes to the list of who your child can be released to must be made with your Family Consultant or teacher. **You may be asked questions by Heartland staff to verify your identity prior to accepting a change to the release list.**
- ◇ Changes to the release paperwork can only be made by the parent/legal guardian.
- ◇ It is the parent/guardians' responsibility to keep the release and contact information up to date. Parents will be asked to review and update the emergency contact and release to information throughout the year.

RELEASING CHILDREN FROM THE CLASSROOM

ANYONE PICKING UP A CHILD WILL BE REQUIRED TO SIGN-OUT. ALL ADULTS SHOULD HAVE THEIR PICTURE ID AVAILABLE FOR STAFF TO VERIFY IDENTITY.

If you wish to pick up your child prior to regular dismissal time, you will need to enter at the main entrance and check in with the front office staff.

- ◇ Do not leave your car running when coming into the building. Turn off your vehicle and bring your keys with you into the building.
- ◇ A child will only be released from the classroom to a parent, guardian, or a person listed by the parent/guardian on the release paperwork. The exception is when legal paperwork in the child's files states that a parent cannot pick up the child.

- ◇ Emergency Contacts arriving to pick up a child must bring a photo ID to verify their identity prior to the child being released.
- ◇ If a child has not been picked up or communication from the family is not received, program staff may contact law enforcement.

TRANSPORTATION IS NOT PROVIDED FOR ALL FAMILIES

- ◇ Heartland has limited transportation services. Families should contact their Family Consultant to problem solve transportation issues and help link them to other transportation resources.
- ◇ At enrollment all parents will be asked to complete an "Application for Transportation" to determine eligibility for transportation. Eligibility for transportation is based on the child's home address and not the possible pick up or drop off address.
- ◇ The bus will not travel outside the route to provide transportation. If you move outside the transportation route, you may no longer qualify for transportation.

CHANGES IN TRANSPORTATION

All transportation changes must be made through the family consultant or the transportation supervisor. Bus changes will only start on Mondays. **Bus drivers and teachers are not allowed to make changes.**

All changes are considered permanent. Not all transportation changes may be possible.

IF YOUR CHILD RIDES THE BUS

- ◇ **No eating or drinking is permitted on the bus. Toys, food or gum cannot be sent with your child.**
- ◇ Children must be ready when the bus arrives. **The bus will wait one minute.**
- ◇ It's your responsibility to **walk your child all the way to and from the bus door.**
- ◇ Most pick up and drop off locations will be bus stops.
- ◇ If your child is picked up at home and your child will not need transportation, the **NO BUS NEEDED** sign (provided by Heartland) should be placed in the window or door so the bus driver doesn't stop.

RELEASING CHILDREN FROM THE BUS

ALL PERSONS WILL HAVE THEIR PICTURE ID AVAILABLE FOR STAFF TO VERIFY IDENTITY.

- ◇ When your child is dropped off after school, the adult getting the child off of the bus must be on the emergency release form. Your child will not be released to anyone who is not listed on the release form. Bus staff will ask to see a picture ID to verify identity.
- ◇ If an adult who is not on the emergency release form is at your child's drop off location, your child will be returned to school and the parent or an adult listed on the release form must come to school to pick up the child. If the parent/guardian listed is not able to be reached, the police department will be contacted.
- ◇ If a child is returned to school multiple times, a meeting with the parent, family consultant, family consultant supervisor and possibly the transportation supervisor will be held. Bus privileges may be suspended.
- ◇ If the child is returned to school following a meeting with Heartland staff the police department and/or DCF could be called.
